

Introducing...

You frame®

YouFrame® is set to revolutionise box framing!

YouFrame® is a simple, fast, effective box frame system complete with everything you need to build a masterpiece. Previously only specialist framers could assemble a box canvas but now, you can put together a You frame® system achieving quality which is on a par with a professional box canvas framing service.

Measure and mark the back of your canvas for placement of You Frame bars.

Cut and fold corners of the canvas.

Fold in the You Frame bars to form box frame.

Attach corner clips and tension plates.

You Frame is a modular system - mix and match bar lengths to create the perfect size frame. Available in Imperial lengths from 9" to 60", and Metric from 300mm to 1500mm.
