HERO FEATURES – POS & TICKET

- 4.5" Super AMOLED Screen
- 1.3GHz quad-core processor
- 5MP rear camera with 2MP front facing camera
- Ultra Power saving mode to extend battery life

CUSTOMER PROPOSITION (USP'S)

- Super AMOLED Display**
- Let your content come to life with the Samsung Galaxy J1 2016. The Super AMOLED display shows rich and crisp colours with deep contrast.
- Capture the moment**
- Access the camera in a flash and never miss a moment with quick launch by double pressing the home button. Choose from the front facing camera for your next selfie or the rear facing camera to capture your surroundings.
- Smart Manager**
- Take control with Smart Manager and check your phone's vitals at a glance. Battery, storage, RAM usage and security status' are available at your fingertips.
- Ultra Power Saving Mode**
- Low Battery? No Problem. Ultra Power Saving Mode turns the screen black and white; whilst non-essential apps are shut down to extend battery life when you need it most.
