KODAK [AUSTRALASIA] PTY LTD

KODAK Picture Kiosk G4 RENTAL– GOLD SUPPORT AGREEMENT TERMS & CONDITIONS

1. General

The HIRER~ referred to in this agreement is the HIRER named in the KFS Financial Services Pty Ltd [KFS] Rental Agreement ["Rental Agreement"]. This Support Agreement is extended to cover the Equipment Specified in the KFS Rental Agreement, for the duration of the term of the Rental Agreement, in accordance with the Terms & Conditions set out below.

2. Service and Support

During the rental term Kodak will provide:

A. Telephone (Hotline) Assistance

Gold coverage – Monday – Sunday, phone 1300 735 110 (Australia)

The HIRER is to call the KODAK Hotline & provide the K-number (machine number) or store id to obtain technical support. The Hotline will provide telephone assistance to help isolate the hardware malfunction and provide instructions on the appropriate repair procedure.

B. Repair Service

Gold coverage – Monday – Sunday

In the event that the KODAK Minilab Hotline cannot resolve a fault over the phone, and determines that a component is faulty, they will:

- Dispatch a Kodak representative when on-site service is required for the G4 console, which consists of the monitor, processor, digital camera card reader(s), floppy drive and CD drive(s).
- Dispatch a Kodak representative to swap over via Advanced Unit Replacement "AUR" Components as required for thermal printers and other peripherals.

Kodak will provide an AUR when the covered component is not operating in a condition that is consistent with Kodak's specifications. Replacement units will be new or reconditioned to perform as new.

C. Software Support

Kodak will provide software support by telephone or by other means deemed appropriate by Kodak.

Software improvements, to pre-purchased system and applications will be made available to the HIRER on a self-install basis during the Warranty period. (The HIRER is responsible for purchasing any additional hardware that may be required to support software updates.)

Kodak reserves the right to develop new features of any software, which may be offered to the HIRER under separate price schedules.

3. HIRER Responsibilities

- Provide initial problem-solving assistance to Hotline operators.
- Coordinate all requests for assistance and act as liaison with Kodak service personnel.
- Perform appropriate problem analysis and corrective actions by following troubleshooting instructions and remedial actions as prescribed by Kodak.
- Maintain software documentation and software updates.
- Perform operator maintenance and error recovery procedures.
- Ensure immediate access to equipment for service personnel when service is requested.

4. Service Exclusions

This Support Agreement does not require KODAK to carry out the following, which KODAK may carry out at the current charges of KODAK for labour parts and transport:

- Repair Service performed at the HIRER's premises for thermal printers and other peripheral devices, except where deemed necessary by an Authorised KODAK Service Representative
- Making good equipment problems and additional labour and parts during Repair Service caused by failure to follow KODAK cleaning, maintenance and operating instructions.
- Accident, misuse or abuse of equipment. This includes, but is not limited to, flatbed scanner glass scratches
- Repair or replacement of the following items:
 - Digital Cameras and accessories which may be used with the Picture Maker System
 - Consumable Items: Battery chargers, rechargeable batteries, PC cards, and or smart media adapters
 - Additional Components not under the KFS Rental Agreement
 - Relocation of the equipment
- Repair of damage resulting from, earthquake, lightning, explosion, flood, water damage (including damaged pipes, air-conditioning and the operation of sprinklers), failure by the HIRER to provide the proper environment for the equipment, failure of electrical power (including power surges) or damage caused by electrical and/or mechanical connections to other equipment not supplied by KODAK

4. Delays

- KODAK does not accept responsibility for delays in the supply of labour, parts or exchange components caused by circumstances that are beyond the control of KODAK
- Under no circumstances does KODAK accept responsibility for any loss of profits or other consequential losses related to delays in the supply of labour, parts or exchange components.

5. Warranty by the HIRER

The HIRER warrants that:

- KFS is the owner of the equipment covered by this Support Agreement
- The requirements of KODAK Installation and Site Specifications for the equipment will be maintained

7. Movement of the Equipment

KODAK shall be notified at the same time the equipment is being relocated to a different address to that where it was first installed.

8. Renewal

This Support Agreement will be current for the term specified in the KFS Rental Agreement and may be extended in accordance with the KFS Rental Agreement "TERMS OF CONTRACT"

KODAK does not accept responsibility for supply of system components and spare parts supplied by other manufacturers required for Equipment Maintenance beyond the term of the current KFS Rental Agreement
