Octa-Core 1.9GHz Processor

TURN HEADS WITH THE GALAXY A

Featuring Samsung's signature design with an eye-catching glass and metal finish, the Galaxy A looks as good as you do.

The sleek metal design seamlessly fuses the front glass display with the curved glass back, so you can comfortably hold the phone in one hand, while enjoying your coffee in the other.

The Full HD Super AMOLED display will also help make your pics and videos look as good on screen as they do in real life.
