

# ASPERA F24 Flip

## FEATURES

2.4" Flip Display

FM Radio

3G Data capability

Bluetooth

SOS button

### They said bring back the flip phone. So we did!

Aspera F24 is a classic and elegant design inside and out, with 3G network connectivity for all Australian and New Zealand networks.

F24 incorporates a 2.4" screen on the inside and 1.8" outside. The outside screen allows you to see at a glance, the time and date, who is calling, or if you have received a message.

With big buttons, easy keypad and large text display the F24 is suitable for those who do not need or want a smartphone. There is no Wi-fi capability.
