13MP Front and Rear camera  
with flash

3GB RAM, 32 GB + up to 128 GB  
MicroSD support

Octa Core 1.6GHz Processor

Android 7.0 Nougat

### Capture the moment

Take sharp and clear photos and videos day or night. The 13MP rear camera produces detailed, high-resolution images. Plus, thanks to the low-aperture f/1.7 lens, you can capture bright photos in low light conditions without sacrificing quality.

RRP:

**\$349**
