

# HUAWEI P10 PLUS

## FEATURES

Gorgeous 5.5" IPS NEO LCD Display

20+12MP Leica optical camera takes mindblowing photos

128GB storage with microSD support, 6GB RAM

Kirin 960 CPU Processor

### Artistic portrait studio in your pocket

The Huawei P10 Plus's clean design is built around an ultra-slim 7mm lightweight body and dual cameras flush with the back cover, enhanced by smooth rounded curves. The fingerprint sensor is now subtly hidden beneath the front screen glass making navigation easier and providing additional screen space.
