

ASPERA R30 Flip

FEATURES

Stylish Flip Phone form!

Rugged exterior design with high vis highlights

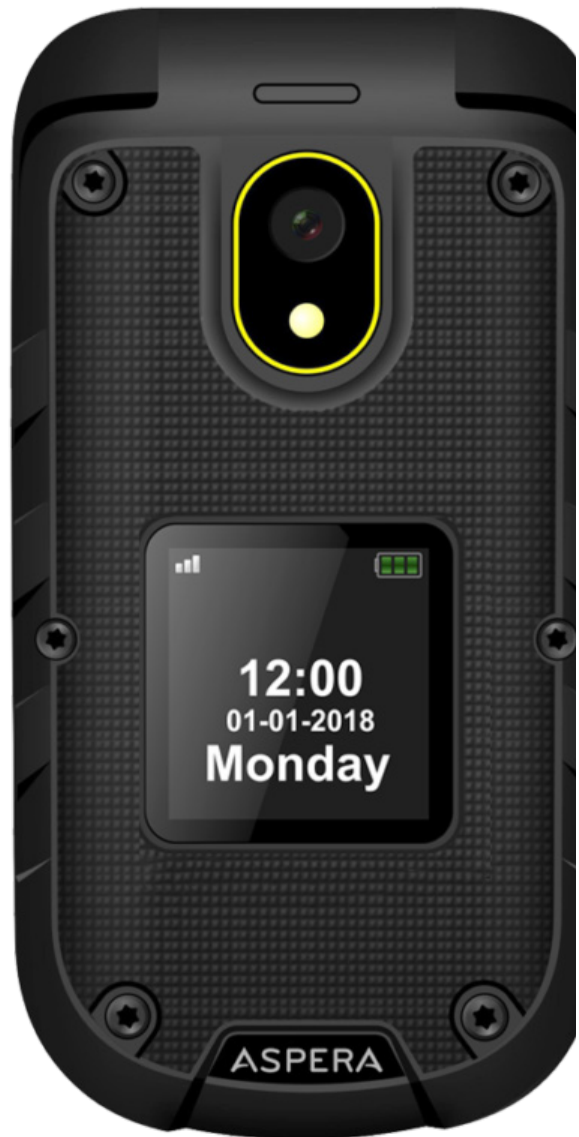

Exterior display lets you see incoming callers

IP68 Waterproof rating

A Flip Phone for 2018

Aspera R30 brings a new dimension to the ever popular flip phone, featuring a stylish rugged design with yellow highlights for high visibility, and external display for message and caller notifications. The main display is 2.4".

IP68 rating means the R30 is waterproof to 1 metre for 30 minutes and totally dustproof. Keeping the protective seals in place over the charging port and earphone jack will ensure there is no ingress of water and dust. The back cover has a holding screw which should be tightened using the tool provided.
