Hero Features

See the whole scene on a big screen

Immerse yourself in the large 6.5 inch Infinity-O Display of Galaxy A21s. A wide aspect ratio fills your screen with content from edge to edge. Watch your favourite videos, games and live streams on its HD+ display.

Stylish look, comfortable hold

Galaxy A21s has a glossy and holographic finish that catches the eye. The smooth curves of the body allow for an easy and secure grip when navigating the screen. Choose from Black or White to match your unique style.

Quad Cam lets you shoot with more perspective

Go ultra high-res with a 48MP Main Cam for crisp, clear photos day and night. A 123° Ultra Wide Cam can capture more of the view. Choose the Macro Cam for highly refined close-ups, and make sure the subject always stands out with the Depth Camera's multiple Live Focus effects.
